

DESIGNER TOWEL RAILS

DESIGNER TOWEL RAILS
Almost too good to hang your towels on.

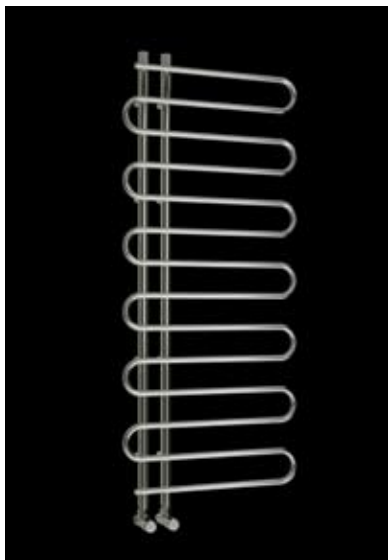

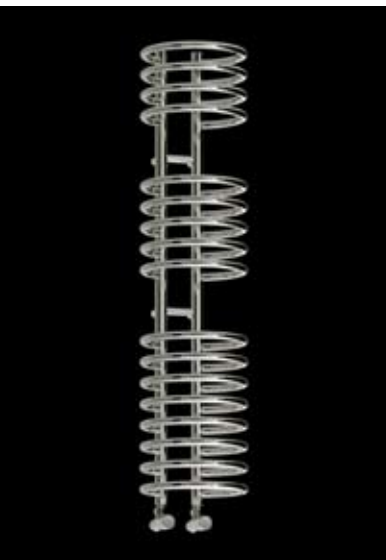

If you are looking for something unique, a way of combining the convenience and opulence of warm dry towels whilst creating a contemporary feature then check out our range of innovative and exciting designer towel rails; their clean uncomplicated lines combine function and form to bring an implicit elegance to your bathroom.

For the period bathroom interior we offer a range of classic traditional styled towel rails that combine style with exceptional heat output.
